

Assessment of Learning

**Checklist for a blog response**

Check your work or that of a peer to see that the blog response meets the following success criteria:

Knowledge/Understanding:

- ✓ I completed the reading and compiled all the necessary research of the text to support my ideas (use quotations and plot examples where appropriate)
- ✓ I contributed relevant information that responds to the question prompts

Thinking and Inquiry

- ✓ My entries/responses demonstrate openness to new ideas and opinions
- ✓ My entries/responses clearly reveal my learning in this activity and reflect on any change in a way of thinking
- ✓ My entries/responses provide a conclusion that offer classmates something to think about

Communication

- ✓ All of my ideas are communicated with clarity (controlling idea is evident)
- ✓ My writing is organized logically using an appropriate level of language and formality
- ✓ The material I researched is properly integrated into the writing

Application

- ✓ Ideas communicated clearly for intended purpose and audience
- ✓ Language conventions are used accurately and effectively for every entry/response
